FOR IMMEDIATE RELEASE

Triumph Learning has Created K-PREP Practice Test Booklets—All-New for the Spring 2013 Test

Essential Tools for Assessing Student Progress and Bridging Your Curriculum to the Common Core State Standards

New York, NY February 2013—Recognizing the necessity of placing authentic, full-length K-PREP practice assessments in the hands of teachers and students now, *Triumph Learning* has published reading and math *Coach Jumpstart K-PREP Practice Test Booklets*. Kentucky will begin high-stakes testing of the *K-PREP* this spring, making the availability of effective practice resources of paramount importance.

Exclusively designed for Kentucky, these Practice Test Booklets importantly replicate the length, passage selections, and question styles of the actual exam, including a mix of multiple-choice and open-ended practice items. Content is fully aligned to the Kentucky Core Academic Standards.

These authentic practice experiences will allow students to build familiarity and acclimate to the increased rigor of the new tests, and will give teachers the ability to identify students' weak areas and assess progress. These timely and crucial tools will support student achievement across the state.
